EXPLANATORY STATEMENT:

Pursuant to Section 102 of Companies Act 2013 read with Companies (Management and Administration) Rules, 2014:-

Item No 5:

The Board, on the recommendation of the Audit Committee, has approved the appointment and remuneration of the M/s Kirit Mehta & Co. Cost Auditors to conduct the audit of the cost records of the Company for the "financial year ending March 31, 2017 In accordance with the provisions of Section 148 of the Act read with the Companies (Audit and Auditors) Rules, 2014, the remuneration payable to the Cost Auditors has to be ratified by the shareholders of the Company. Accordingly, consent of the members is sought for passing an Ordinary Resolution as set out at Item No. 5 of the Notice for ratification of the remuneration payable to the Cost Auditors for the financial year ending March 31, 2017.

None of the Directors / Key Managerial Personnel of the Company / their relatives are, in any way, concerned or interested, financially or otherwise, in the resolution set out at Item No. 5 of the Notice.

The Board commends the Ordinary Resolution set out at Item No. 5 of the Notice for approval by the shareholders

Item No 6:

Your Directors in consultation with the Audit Committee propose to appoint M/s Todi Tulsyan & Co., Chartered Accountants, Mumbai, (Firm Registration No 002180C) as Joint Statutory Auditor of the Company in addition to existing Statutory Auditor i.e M/s Gupta Saharia & Co., Chartered Accountants (Firm Registration No 103446W) to hold office till the conclusion of the next Annual General Meeting to be held in the calendar year 2017.

M/s Todi Tulsyan & Co., Chartered Accountants, was established in 1982 and is renowned for providing quality services to a diverse and successful client base and having its head office located in Patna and has branches in Mumbai, Surat and Kolkata. The Partners of the Firm have more than of 34 years' experience and having large client base. M/s Todi Tulsyan & Co., Chartered Accountants, past experience with statutory audit, it has the requisite experience and knowledge to carry on your Company's business and operations. In this connection, your directors are of the view that Todi Tulsyan & Co., Chartered Accountants, Mumbai will be in a position to swiftly get involved in the audit process along with existing auditor M/s Gupta Saharia & Co., Chartered Accountants, to facilitate and expedite the audit process for the financial year 2016-17.

As per Section 133 of the Companies Act, 2013 (Companies Act) read with Rule 4 of the Companies (Indian Accounting Standards) Rules, 2015 (Ind AS Rules), your Company and its Auditors are required to comply with the Indian Accounting Standards (Ind AS) specified under the Ind AS Rules in preparation of financial statements and audit respectively for the accounting periods beginning on or after 1st April 2016, with the comparatives for the periods ending on 31st March, 2017.

In view of the above mentioned reasons, there is likely to be significant increase in the scope of Gupta Saharia & Co Chartered Accountants work with respect to manner of reporting of financial statements, additional disclosure requirements, manner of preparing financial statements of Company's holding, joint venture etc. In order to ensure that the transition to Ind AS does not disrupt the present operations of the Company, your Directors believe that there is need to establish a mechanism to ensure seamless transition to the Ind AS regime. There is also requirement to report on Internal Financial Controls under Section 14 (3) (i) of the Companies Act, 2013 by the Statutory Auditors.

In this connection, your Directors believed that with the appointment of Joint Statutory Auditors for the financial year 2016-17, the Auditors (Gupta Saharia & Co Chartered Accountants and Todi Tulsyan & Co Chartered Accountants) can subsequently divide the work amongst themselves and complete the audit process in an efficient and time-bound manner which is the best interests of your Company.

In view of the above your Board of Directors propose to appoint Todi Tulsyan & Co Chartered Accountants as Join Statutory Auditors of the Company along with Gupta Saharia & Co chartered Accountants to hold the office until the conclusion of next Annual General meeting.

The Company has received consent letter from Todi Tulsyan & Co, Chartered Accountants, Mumbai to the effect that their appointment, if made would be within the prescribed limits under Section 139 of the Companies Act 2013, and that they are not disqualified from such appointment in terms of Section 141(3)(g) of the Companies Act, 2013 and rules made thereunder.

None of the Directors / Key Managerial Personnel of the Company / their relatives are, in any way, concerned or interested, financially or otherwise, in the resolution set out at Item No.6 of the Notice.

The Board commends the Ordinary Resolution set out at Item No. 6 of the Notice for approval by the shareholders

ITEM NO. 7

The Shareholders had accorded their consent to the Board of Directors in accordance with the provisions of Section 180(1)(c) of the Companies Act, 2013 at the Annual General Meeting held on 26th August 2013, to borrow funds not exceeding ₹ 3,500 Crores (Rupees Three Thousand Five Hundred Crores Only). Keeping in view the growth plans of the Company it is proposed to increase the borrowing power of the Board of Directors in terms of Section 180(1)(c) of the Companies Act, 2013 to an aggregate limit of ₹ 5,500 Crores (Rupees Five Thousand Five Hundred Crores Only).

None of the Directors or Key Managerial Personnel of the Company, or their relatives, is/are concerned or interested in the Resolution at Item No. 7.

The Resolution mentioned at Item No.7 of the Notice is recommended for your approval.

ITEM NO. 8

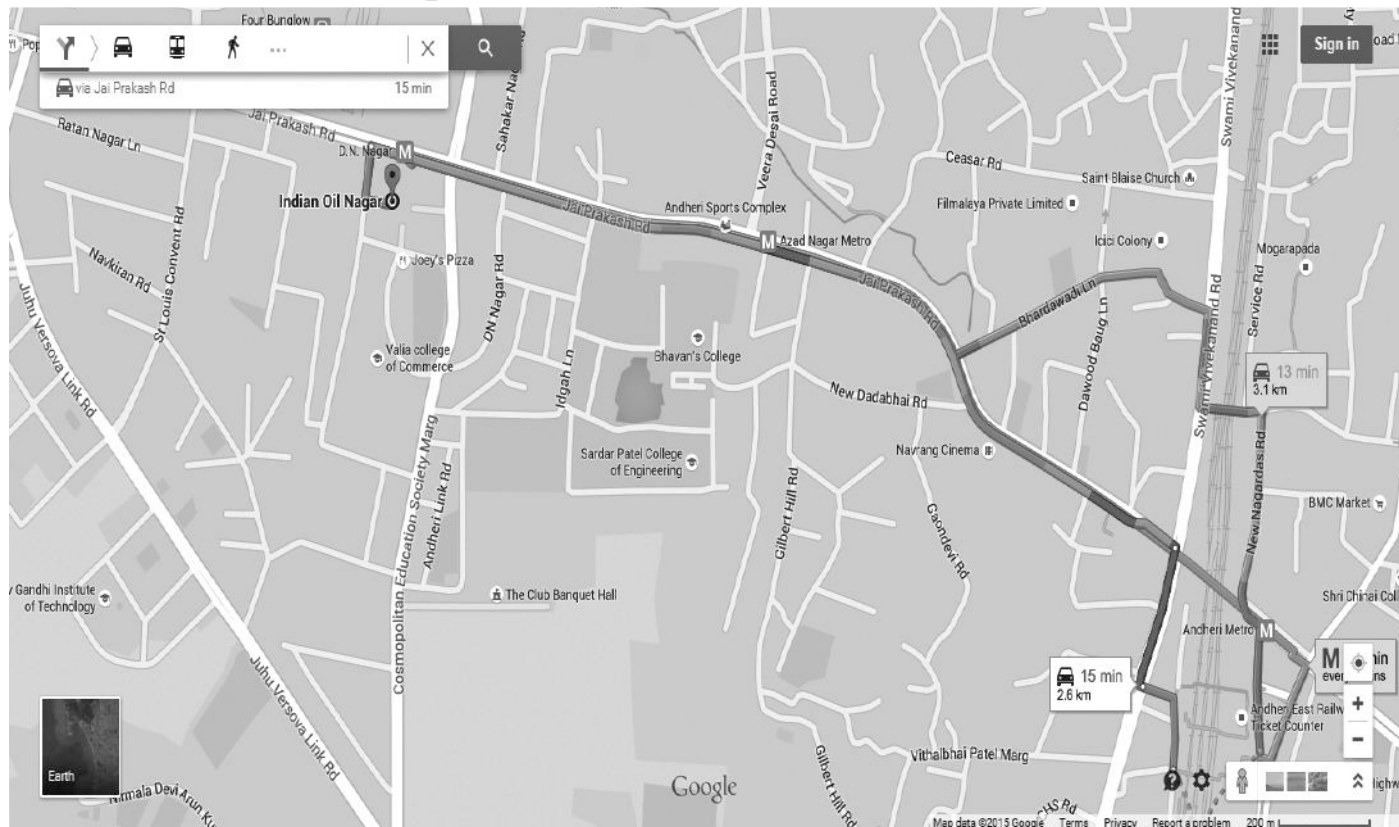

The Company from time to time, to finance its projects, avails term loans/ working capital facilities from Banks and Financial Institutions. The Financial assistance sanctioned/to be sanctioned to the Company requires/would require creation of charge or mortgage on the existing or future assets of the Company.

The mortgage / charge / hypothecation to be created as aforesaid may attract the provisions of Section 180(1)(a) of the Companies Act, 2013. Therefore out of abundant caution, it is considered necessary for the members to authorize the Board of Directors to create charges and/or mortgages and/or hypothecations on the Company's Assets, not amounting to sale, to an aggregate limit of ₹ 5,500 Crores (Rupees Five Thousand Five Hundred Crores Only) in the manner proposed in the resolution to secure funds borrowed by the Company from time and time.

None of the Directors or Key Managerial Personnel of the Company, or their relatives, is/are concerned or interested in the Resolution at Item No. 8.

The Resolution mentioned at Item No. 8 of the Notice is recommended for your approval.

Dear Members,

Going against the economic trend and heading North on financial parameters calls for a different kind of mindset. And this was successfully accomplished by Your Company if the figures are of any indication to go by.

The Directors are pleased to present the 17th Annual Report on the business and operations of Your Company with the audited financial statements and the auditors' report thereon for the financial year ended March 31, 2016.

Source: IMF, For India, data and forecasts are presented on a fiscal year basis

Indian Economy

As per Economic Survey FY16, India showed significant improvement in overall index of macroeconomic vulnerability. Since 2013, India's index has improved by 5.3 percentage points compared with 0.7 percentage point for China, 0.4 percentage point for all countries in India's investment grade (BBB), and a deterioration of 1.9 percentage points in the case of Brazil.

As per the Central Statistics Office (CSO), the advance estimates of the growth rate of GDP at constant market prices are projected to increase to 7.6% in FY 16 from 7.2% in FY15.

J. KUMAR INFRAPROJECTS LIMITED

Infrastructure Industry

The construction market contributes nearly 7 per cent to India's GDP. Further, by 2025, India's construction market is expected to emerge as the third largest in the world. The Government is the leading revenue generating segment for the construction market, led by various public infrastructure projects.

The Government of India's "Make in India" campaign, the "smart cities" project and the "housing-for-all" scheme covered in over 300 cities is also expected to provide is necessary impetus for Infrastructure industry in the years to come.

Financial Results:

The summary of the financial performance of your Company for the financial year 2015-16 is given below:

Operational areas

Civil construction in the following focus areas:

Transport Engineering

This is the dominant segment in the company's order book which has provided 91% of Company's business (historically it had always provided about 80%+). Transport & Engineering comprises roads, bridges, flyovers, subways, over bridges, skywalks, railway terminus/stations etc. The company designs and constructs these projects as per client's specifications on turnkey basis. The Company has bagged orders worth ₹ 156,480.99 Lakhs in Transportation vertical during FY15-16.

Operational areas		Civil construction in the following focus areas:
	Civil Construction	JKIL's offerings in this segment include commercial buildings. Which includes office/commercial buildings, sports complexes, swimming pools etc.
	Irrigation Projects	In this segment, the company builds dams, canals, aqueducts & irrigation tanks, spillways etc.
	Piling	JKIL entered this segment in FY06 by acquiring hydraulic piling rigs. Currently, it has 22 such rigs which are used to build pile foundations for buildings and flyovers, marine structures, offshore platforms etc. This segment caters to major real estate and infrastructure companies.

Major Projects received during the financial year 2015-16

Month & Year	Business Segment	Orders bagged through FY 15- 16 (₹ in Crore)	Particulars
Mar,2016	Transport Engineering	1,064.51	Work Order received from JNPT – NHAI for construction of Road
Feb,2016	Transport Engineering	133.80	LOA from MMRDA for construction of Six Lane Bridge across Ul.
Apr,2015	Transport Engineering	155.96	Work orders from MMRDA for design & construction of flyovers at Savita Chemical Junction, Ghansoli Naka Junction, Talavali Naka Junction, Mahape Junction

India will invest as much as ₹ 2.21 Trillion in creating and upgrading infrastructure in the next fiscal year, according to finance minister in his recent budget speech.

Together with the capital expenditure announced for the railways, the total capex outlay for roads and railways in 2016-17 will be a mammoth ₹ 218,000 Crores according to the Finance Minister. It is also further expected to get formal nod for 10,000 km of national highways in 2016-17.

Growth Drivers:

•Order Flow Leading to Effective Cash Flows

We have a order backlog of ₹ 3,214 Crores as on 31st March 2016, implying order book to bill ratio of 2.3X, which provides healthy revenue visibility.

The Transportation & Engineering vertical accounts for 91% of total order backlog. Your Company has emerged as the lowest bidder in two packages of Mumbai Metro line 3 worth ₹ 5,000 Crores. Further, order book is spread across 40+ contracts in 4 states, which reduces geographical risk.

This apart, 95%+ of Your Company's contracts is from Government, thereby enhancing the security of payments leading to improved working capital management.

In order to bid for larger projects, Your Company has entered into joint ventures with national and international players such as China Railway No.3 Engineering Group Co. Ltd (74:26), NCC Ltd (50:50).

The order inflows have gained traction. Your Company was able to bag orders worth ₹ 1,574.11 Crores in FY2015-16.

Some major orders includes Construction of NH-348 and Amra Marg JNPT Phase-III, Gavanphata interchange in Maharashtra, and Construction of Karalphata interchange and connectivity to proposed 4th terminal of JNPT and pending underground work for Phase-III at Delhi metro.

•MRTS Project

MRTS projects will emerge as growth drivers owing to rapid urbanization and growing concerns about pollution. There is an urgent need for mass urban transport solutions among cities. India's urban population of 40 Crores spread over 300 km of operational metro track across 7 cities is currently facing traffic jams during the peak hours.

•Financially Healthy

Your Company is one among the few Infrastructure companies having low debt and healthy balance sheet.

Your Company was successful to raise ₹ 409.28 Crores through QIP issue at an issue price of ₹ 730 per share of ₹ 10/- each out of which has been used meet issue expenses, general corporate purpose and to fund working capital requirements and ₹ 175 Crores has been parked in liquid funds for Capex requirements.

Risk Management:

Your Company has a system-based approach to business risk management. Backed by strong internal control systems, the current risk management framework consists of the following elements:

The Corporate Governance Policy clearly lays down the roles and responsibilities of the various entities in relation to risk management. A range of responsibilities, from the strategic to the operational, is specified in the Governance Policy. These roles are aimed at ensuring formulation of appropriate risk management policies and procedures, their effective implementation and independent monitoring and reporting by Internal Audit.

The Corporate Risk Management Cell works with the businesses to establish and monitor the specific profiles including both strategic risks and operational risks. The process includes the prioritization of risks, selection of appropriate mitigation strategies and periodic reviews of the progress on the management of risks.

A combination of centrally issued policies and divisionally-evolved procedures brings robustness to the process of ensuring business risks are effectively addressed.

Going Forward:

As per the White Paper on Infrastructure Financing brought out by CRISIL Ratings and ASSOCHAM India in December, 2015, it is estimated that the country would need ₹ 31 lakh crores investment in infrastructure during 2015-20. The Paper estimates that about 70 per cent of this will be required in the power, roads and urban infrastructure sectors. The Paper further estimates that over two-thirds of the investment (seventy per cent) would need to be funded through debt and thirty per cent would be through equity.

Apart from public investment, Government has taken steps to mobilize other sources of investment funds from various sources for development of basic infrastructure, including through the establishment of Infrastructure Debt Funds, Real Estate/Infrastructure Business Trusts (REITs/InvITs), relaxation in External Commercial Borrowing (ECB) and Foreign Direct Investment (FDI) norms, mainstreaming of Public Private Partnerships (PPPs), liberalization of lending norms by banks to infrastructure sector, relaxation of norms for Employees' Provident Funds Organisation (EPFO)/pension funds investment in infrastructure sector, establishment of National Infrastructure Investment Fund (NIIF) etc. The Paper further estimates that over two-thirds of the investment would need to be funded through debt and thirty per cent would be through equity.

Cautionary Statement:

Statements in this Management Discussion and Analysis Describing the Company's Objectives, projections, estimates and expectations may be 'forward Looking statements' with in the meaning of applicable laws and Regulations. Actual results might differ substantially or materially from those expressed or implied. Important developments that could effect the company's operations include a downtrend in the infrastructure sector, significant changes in political and economic environment in India, exchange rate fluctuations, tax laws, litigation, labour relations and interest cost.

INDEPENDENT AUDITORS' REPORT

To the Members of
J. Kumar Infraprojects Limited

Report on Financial Statements

1. We have audited the accompanying financial statements of J. Kumar Infraprojects Limited ("the Company"), which comprise the Balance Sheet as at March 31st, 2016, and the Statement of Profit and Loss, the Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

2. The Management and Board of Directors of the Company are responsible for the matter stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act, read with Rule 7 of Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provision of the act for safeguarding the assets of the company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgement and estimates that are reasonable and prudent; design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

3. Our responsibility is to express an opinion on these financial statements based on our audit. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder and the order under Section 143 (11) of the Act. We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatements.
4. An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation and presentation of the financial statements, that give a true and fair view, in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by company's management and Board of Directors, as well as evaluating the overall presentation of the financial statements.
5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Opinion

6. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India of the state of affairs of the company as at 31st March 2016, its profit and its Cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements.

7. As required by the Companies (Auditor's Report) Order, 2015 ("the Order") issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we give in the **Annexure "A"** a statement on the matters specified in paragraphs 3 and 4 of the Order.
8. As required by section 143(3) of the Act, we report that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
 - b. In our opinion, proper books of account as required by law have been kept by the Company so far as appears from our examination of those books;
 - c. The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account;
 - d. In our opinion, the aforesaid Financial Statements comply with the applicable Accounting Standards specified under section 133 of the Act, read with rule 7 of the Companies (Accounts) Rules 2014;
 - e. On the basis of written representations received from the directors as at March 31, 2016, taken on record by the Board of Directors, none of

the directors is disqualified as on March 31, 2016, from being appointed as a director in terms of section 164(2) of the Act.

- f. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in **Annexure “B”**. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
- g. In our opinion and to the best of our information and according to the explanations given to us, we report as under with respect to other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014:

ANNEXURE “B” TO THE INDEPENDENT AUDITORS' REPORT

(Referred to in paragraph 8(f) under 'Report on Other Legal and Regulatory Requirements' of our report of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of J. KUMAR INFRAPROJECTS LIMITED (“the Company”) as of March 31, 2016 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes forming part of the Financial Statements

Note 1 : SIGNIFICANT ACCOUNTING POLICIES

1.1 Corporate Information :

J. Kumar Infraprojects Limited (the Company) is a public Limited Company domiciled in India and Incorporated under the provisions of the Companies Act, 1956. Its shares are listed on the two stock exchanges in India - BSE and NSE . The Company is engaged in execution of contracts of various infrastructure projects including Transportaion Engineering, Irrigation Projects, Civil Construction and Piling Work etc.

1.2 Basis of preparation of financial statements :

The financial statements of J. Kumar Infraprojects Limited (the Company) have been prepared in accordance with generally accepted accounting principles in India (Indian GAAP) including the accounting standards notified under the relevant provisions of the Companies Act, 2013. Further, the guidance notes/announcements issued by the Institute of Chartered Accountants of India (ICAI) are also considered, wherever applicable except to the extent where compliance with other statutory promulgations viz. SEBI guidelines override the same requiring a different treatment.

The financial statements have been prepared under the historical cost convention, on accrual basis, on the principles of going concern. The accounting policies have been consistently applied by the Company and are consistent with those used in the previous year.

1.3 Financial Statements - Presentation and Disclosures :

The Balance Sheet and the Statement of Profit and Loss are prepared and presented in the format prescribed in the Schedule III of the Companies Act, 2013 ("the Act"). The Cash Flow Statement has been prepared and presented as per the requirements of Accounting Standard (AS) 3 "Cash Flow Statements". The disclosure requirements with respect to items in the Balance Sheet and Statement of Profit and Loss, as prescribed in the Revised Schedule III of the Act, are presented by way of notes forming part of accounts along with the other notes required to be disclosed under the notified Accounting Standards and the Listing Agreement.

1.4 Use of Estimates :

The preparation and presentation of financial statements requires estimates and assumptions to be made that affect the reported amount of assets and liabilities and disclosures of contingent liabilities as on date of the financial statements and reported amount of revenue and expenses during the reporting period. Although these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets and liabilities in future periods. Difference between the actual results and estimates is recognised in the period in which the results are known / materialized.

1.5 Revenue Recognition:

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured.

The Company follows the percentage completion method as mentioned in Revised Accounting Standard (AS) 7 "Construction Contracts" on the basis of physical measurement of work actually completed at the balance sheet date, taking into account the contractual price and revision thereto by estimating total revenue and total cost till completion of the contract and profit so determined has been accounted for proportionate to the percentage of actual work done.

Claims are accounted as income in the year of receipt of arbitration award or acceptance by client or evidence of acceptance received.

Interest income is recognised on a time proportion basis taking into account the amount outstanding and the rate applicable. Dividend is recognized as and when the right to receive payment is established by the Balance Sheet date.

1.6 Fixed Assets:

(i) Tangible Assets

Cost comprises cost of acquisition or construction of assets (excluding revalued assets) less accumulated depreciation and impairment losses if any including borrowing costs attributable to bringing the assets to their intended use.

Notes forming part of the Financial Statements

(ii) Capital Work in Progress

Tangible assets under installation or under construction as at balance sheet date are shown as Capital work-in-progress.

1.7 Depreciation:

Depreciation is provided based on useful life of the assets as prescribed in Schedule II of the Companies Act, 2013. Depreciation is provided prorata to the period of use on all additions during the year except addition below ₹ 5,000/- which are depreciated at the rate of 100% in the year of purchase.

Depreciation on assets sold, discarded or demolished during the year is being provided at their respective rates on pro-rata up to the date on which such assets are sold, discarded or demolished.

1.8 Impairment of Assets:

The Company assesses at each reporting date whether there is an indication that an asset may be impaired as per AS - 28 on "Impairment of Assets". If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating unit's (CGU) net selling price and its value in use. The recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets. Where the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining net selling price, recent market transactions are taken into account, if available. If no such transactions can be identified, an appropriate valuation model is used. Impairment losses are recognised in statement of profit or loss.

During the year no assets were impaired.

1.9 Valuation of Inventories:

Inventories are valued as follows:

Raw materials, components, stores and spares: Raw materials, components, stores and spares are valued at lower of cost or net realisable value. Cost is determined on a FIFO basis and includes all applicable duties and taxes.

Contract work-in-progress: Costs incurred that relate to future activities on the contract are recognised as contract work-in-progress. Contract work-in-progress comprises of construction cost and other directly attributable overhead valued at cost.

1.10 Investments:

Investments, which are readily realisable and intended to be held for not more than one year from the date on which such investments are made, are classified as current investments. All other investments are classified as long-term investments.

On initial recognition, all investments are measured at cost. The cost comprises purchase price and directly attributable acquisition charges such as brokerage, fees and duties etc. If an investment is acquired, or partly acquired, by the issue of shares or other securities, the acquisition cost is the fair value of the securities issued. If an investment is acquired in exchange for another asset, the acquisition is determined by reference to the fair value of the asset given up or by reference to the fair value of the investment acquired, whichever is more clearly evident. However, all the investments are acquired in exchange of monetary assets.

Long term investments are carried at cost. However, provision for diminution in value is made to recognise a decline other than temporary in nature in the value of the investments.

On disposal of an investment, the difference between its carrying amount and net disposal proceeds is charged or credited to the statement of profit and loss.

1.11 Accounting for Taxes on Income :

Tax expense comprises both current and deferred tax . Current tax is measured at the amount expected to be paid to / recovered from the tax authorities, using the applicable effective tax rates. Deferred tax assets and liabilities are recognised for future tax consequences attributable to timing differences between taxable income and accounting income that are capable of reversal in one or more subsequent periods and are

Notes forming part of the Financial Statements

measured using relevant enacted or substantively enacted effective tax rate as on the balance sheet date, to the extent the timing differences are expected to crystallise. Deferred tax assets are reviewed for the appropriateness of their respective carrying values at each balance sheet date. The company reassesses recognised deferred tax assets and liabilities and recognises inrecognised deferred tax assets to the extent they become reasonably certain or virtually certain of realisation, as the case may be.

1.12 Foreign Currency Translations :

- i) **Initial recognition** : Foreign currency transaction are recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of transaction.
- ii) **Conversion** : Foreign currency monetary items are reported using the closing rate. Non-monetary items which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction; and non-monetary items which are carried at fair value or other similar valuation denominated in a foreign currency are reported using the exchange rates that existed when the values were determined. Non-monetary assets are carried at fair value.
- iii) **Exchange differences** : Exchange differences arising on the settlement of monetary items or on reporting company's monetary items at rates different from those at which they were initially recorded during the year, or reported in previous financial statements, are recognised as income or as expenses in the year in which they arise.

Exchange difference arising on long term foreign currency monetary items related to acquisition of fixed assets are added / deducted from the cost of asset.

1.13 Borrowing Cost :

Borrowing cost includes interest, amortization of ancillary costs incurred in connection with the arrangement of borrowings and exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost.

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use are capitalized as part of the cost of the respective asset. All other borrowing costs are expensed in the period they occur.

1.14 Earnings Per Share :

Basic earnings per share are calculated by dividing the net profit or loss for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year. The weighted average number of equity shares outstanding during the year is adjusted for events of bonus issue; bonus element in a rights issue, share split; and reverse share split (consolidation of shares).

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

1.15 Provisions :

Provisions are recognised when the Company has a present obligation, as a result of past events, for which it is probable that an outflow of economic benefits will be required to settle the obligation and a reliable estimate can be made for the amount of the obligation. Provisions are not discounted to their present values and are determined based on best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

1.16 Contingent Liabilities and Contingent Assets :

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The company does not recognize a contingent liability but discloses its existence in the financial statements.

Contingent assets are neither recognized nor disclosed in the financial statements.

Notes forming part of the Financial Statements

1.17 Segmental Reporting :

As the Management information system of the Company recognises and monitors “Construction” as the only business segment, the accounting standards “Segmental Reporting” does not apply.

1.18 Operating Lease :

Leases where the lessor effectively retains substantially all the risks and benefits of ownership of the leased term, are classified as operating leases. Operating lease payments are recognized as an expense in the statement of profit and loss on a straight-line basis over the lease term.

1.19 Retirement and other employee benefits :

- i) Retirement benefit in the form of Provident Fund is a defined contribution scheme. The contributions are charged to the statement of profit and loss of the year when the contributions are due. The company has no obligation other than the contribution payable to the provident fund.
- ii) Gratuity liability is defined benefit obligation and is provided for on the basis of an actuarial valuation on projected unit credit method made at the end of each financial year.
- iii) Actuarial gains/losses are immediately taken to the statement of profit and loss and are not deferred.

1.20 Accounting for interests in Joint Ventures :

Interests in joint ventures are accounted as follows:

Form of joint venture	
Jointly controlled entities	Unincorporated joint ventures: Company’s share in profits or losses of unincorporated joint ventures is accounted for on determination of the profits or losses by the joint ventureres.

In respect of contracts executed in integrated joint venture under profit sharing arrangements, net investment in the joint venture is reflected as Current Assets.

1.21 Cash and cash equivalents :

Cash and cash equivalents for purpose of the cash flow statements comprise cash at bank and in hand and short term investments with an original maturity of three months or less.

1.22 Forward Exchange Contract

The company has used forward cover contracts to hedge its exposure to the movements in foreign currency exchange rates. Such forward covers are used to reduce the risk which may result from foreign rates fluctuations, and is not used by the company for trading or speculation purposes.

Buyers' Credit is not hedged by the Company as its exposure to the movements in foreign currency exchange rates is adjusted against inflows.

1.23 Cash Flow Statement :

Cash Flow Statement is prepared segregating the cash flows from operating, investing and financing activities. Cash flow from operating activities is reported using indirect method. Under the indirect method, the net profit is adjusted for the effects of:

- i) Transactions of a non-cash nature
- ii) Any deferrals or accruals of past or future operating cash receipts or payments and
- iii) Items of income or expense associated with investing or financing cash flows

Cash and cash equivalents (including bank balances) are reflected as such in the Cash Flow Statement. Those cash and cash equivalents which are not available for general use as on the date of Balance Sheet are also included under this category with a specific disclosure.
