**Item No 14:**

The Articles of Association (“AOA”) of the Company as presently in force were replaced in 2007 at the time of conversion from Private Limited Company to Public limited Company. The existing Articles of Association are based on the Companies Act, 1956 and several regulations in the existing Articles of Association contain references to specific sections of the Companies Act, 1956 and some regulations in the existing Articles of Association are no longer in conformity with the Companies Act, 2013 (“the Act”).

The Act is now largely in force with Rules thereon. On September 12, 2013 the Ministry of Corporate Affairs (“MCA”) had notified 98 Sections for implementation. Subsequently, on March 26, 2014, MCA notified most of the remaining Sections (barring those provisions which require sanction/confirmation of the National Company Law Tribunal (“Tribunal”). However, substantive sections of the Act which deal with the general working companies stand notified.

With the coming into force of the Act several regulations of the existing Articles of Association of the Company require alteration or deletions in several articles. Given this position, it is considered expedient to wholly replace the existing Articles of Association by a new set of Articles.

The new Articles of Association to be substituted in place of the existing Articles of Association are based on Table 'F' of the Act which sets out the model articles of association for a company limited be shares.

The proposed new draft Articles of Association is being uploaded on the Company's website for perusal by the shareholders.

None of the Directors / Key Managerial Personnel of the Company / their relatives are, in any way, concerned or interested, financially or otherwise, in the Special Resolution set out at Item No 14 of the Notice.

The Board commends the Special Resolution set out at Item No 14 of the Notice for approval by the shareholders

**Item No 15:**

Under the provisions of the Companies Act, 2013, (“the Act”) certain documents such as the register of members and index of members- of equity shares, register or renewed and Duplicate Shares/ Securities Certificates and copies of all annual returns prepared, together with the copies of certificates and documents required to be annexed thereto under Sections 92 of the Act, and other related books, are required to be maintained at the registered office of the Company unless a special resolution is passed in a general meeting authorising the keeping of the register at any other place within the city, town or village in which the registered office is situated or any other place in India in which more than one-tenth of the total members entered in the register of members reside.

M/s Karvy Computershare Private Limited is Company's Registrar and Share Transfer Agent (RTA), who have been providing depository related services for the shares/ securities held in demat mode and also acting as the Share Transfer Agent for the share/ securities held in physical segment.

The members at the Annual General Meeting of the Company held on 21<sup>st</sup> September, 2010, had passed a Special Resolution under Section 163 of the Companies Act, 1956 approving keeping of the aforesaid Registers and copies of Annual Return and other related books at the office of the Registrars and Transfer Agents M/s Karvy Computershare Private Limited, Branch Office Unit No 7, Andheri Industrial Estate, Veera Desai Road, Andheri (W), Mumbai -400058.

In view of the enabling provisions of Companies Act, 2013 as explained above, it is proposed to keep the aforementioned Registers and documents at the premises of the R & T Agents as stated in the resolution.

Your Directors recommend Resolution at item no 15 as a Special Resolution for approval of the members.

None of the Directors and Key Managerial Personnel of the Company or their respective relatives is, in any way, deemed to be concerned or interested in this item of business.

# Management Discussion & Analysis Report

## Dear Members,

Going against the economic trend and heading North on financial parameters calls for a different kind of mindset. And this was successfully accomplished by Your Company if the figures are of any indication to go by.

The Directors are pleased to present the 15<sup>th</sup> Annual Report on the business and operations of Your Company with the audited financial statements and the auditors' report thereon for the financial year ended March 31, 2014.

## World Economic View

The state of world economy has been the most decisive factor affecting the fortunes of every developing country.

The world economy has been witnessing a sliding trend in growth, from 3.9 percent in 2011 to 3.1 percent in 2012 and 3 percent in 2013.

The economic situation of major trading partners of India, who are also the major source of our foreign capital inflows, continues to be under stress. United States has just recovered from long recession, Euro zone, as a whole, is reporting a growth of 0.2 per cent, and China's growth has also slowed down.

## Indian Economy

The GDP slow-down which began in 2011-12 reaching 4.4 percent in Q1 of 2013-14 from 7.5 percent in the corresponding period in 2011-12 has been controlled by numerous measures taken by the Government. Growth in the third and fourth quarter of the current year is expected to be 5.2 percent and that for the whole year has been estimated at 4.9 percent.

The declining fiscal deficit, stable Exchange Rate and reducing Current Account Deficit, moderation in inflation, increasing exports are reflection of a more stable economy today.

## Infrastructure Industry

The Planning Commission has set an investment target of \$1 trillion for infrastructure during the 12th Plan (2012-17). This will be met when the Government addresses the concerns of the sector. In 2012-13 and in nine months of the current financial year, 29,350 MW of power capacity, 3,928 Kms of National Highways, 39,144 Kms of Rural Roads, 3,343 Kms of New Railway track and 217.5 million tonnes of capacity per annum in our ports have been created to give a big boost to infrastructure industries. About 19 Oil and Gas blocks were given out for exploration and 7 new Air ports are under construction. This apart, infrastructure debt funds have been promoted to provide finances for infrastructure Projects.

## Finance Review

### Financial Results:

The summary of the financial performance of your Company for the financial year 2013-14 is given below:

(Indian Rupees in Lacs, unless stated otherwise)

### Dividend:

The Board of Directors are pleased to inform that for the year under review, a dividend of Rs.3.75/- per equity share of Rs.10/- each fully paid up (previous year Rs.3.50/- per equity share of Rs.10/- each fully paid up), is being recommended for the financial year ended 31<sup>st</sup> March, 2014.

### Overview of Operations: Particulars and Developments

In transportation segment the company's order book which has historically provided more than 89% of the work. It comprises roads, bridges, flyovers,

subways, over bridges, skywalks, railway terminus/stations etc. The company designs and constructs these projects as per client's specifications on turnkey basis. The Company have order book of Rs. 373,257.45 Lacs in Transportation vertical as on 31<sup>st</sup> March, 2014.

JKIL's offerings in Civil segment include both commercial and residential buildings. While the former includes office/commercial buildings, sports complexes, swimming pools etc., residential buildings include housing societies etc. The Company have order book of Rs. 32,552.27 Lacs in Buildings vertical as on 31<sup>st</sup> March, 2014.

In Irrigation segment, the company builds dams, canals, aqueducts & irrigation tanks, spillways etc. The Company have order book of Rs.9,215.75 Lacs in Irrigation vertical as on 31<sup>st</sup> March, 2014.

JKIL entered Pilling segment in FY06 by acquiring hydraulic piling rigs. Currently, it has 22 such rigs which are used to build pile foundations for buildings and flyovers, marine structures, offshore platforms etc. This segment caters to major real estate and infrastructure companies. The Company has outstanding order book of Rs. 292.89 Lacs in Pillings vertical as on 31<sup>st</sup> March, 2014.

Infrastructure is vital for growth of economy. According to the 12<sup>th</sup> Five Year Plan Infrastructure is slated to attract US\$ 1 trillion and Your Company would certainly be a part of this growth story.

#### **Business drivers:**

- **Strong growth prospects backed by robust execution skills**

Strong track record in orders execution Your Company has demonstrated strong track record in orders execution over the last many years. The company was able to successfully manage and deliver projects on time across the four infrastructure verticals regions, thanks to the promoters over 3 decades experience in contracting business.

The company has a strong in-house EPC team and manages most of these projects end-to-end thereby hardly leaving any scope for sub-contracting. This enables it to have better control on quality and timely execution of projects.

No wonder then that these positive aspects have put the company on high growth trajectory, leading to a revenue CAGR of 23.90% from FY09-14. Strong revenue visibility accompanied by diversification into new segments and geographies will lead to greater stability.

- **Hefty order book leading to greater visibility**

Your Company's order book is Rs. 4,15,318.36 Lacs (including Rs. 1,03,070.29 Lacs L1 orders) at the year ended as on 31<sup>st</sup> March, 2014.

Transportation and Engineering business vertical still continues to remain as the major contributor towards the company's revenues. This is followed by other business verticals like Irrigation and civil construction projects. Piling is catching up along with other verticals as far as the growth in orders is concerned, however its contribution to revenue is still not substantial.

- **Undertaken Prestigious contracts**

The prestigious contract of Rs. 600 Crores JKIL has recently bagged the prestigious Rs. 600 Crores. Sion Panvel Special State Highway from Urban Flyover Retaining Wall End Point to BARC Junction.

Apart from other contracts your company has successfully forayed into tunneling work in a big way and by bagging the underground works on Mukundpur-Yamun Vihar corridor and Lajpat Nagar-Hazrat Nizamuddin stations of Delhi MRTS Project of Phase-III.

- **Enjoys attractive financial ratios**

A lower debt/equity ratio and higher return on equity (ROE) is a dream for several infrastructure companies which are otherwise saddled with huge debts. However, you company enjoys a lower debt/equity ratio at 0.80 and higher ROE at 14.63%.

Since your company does not undertake sub-contracting, it was not that difficult to maintain revenue growth and lesser operating margin.

All along the company has given priority to EPC projects over BOT projects in order to keep the balance sheet light. Apart from intense competition, BOT projects are also subject to pro-longed delays when it comes to payback thus impact the cash flows.

- **Geographical diversification to help de-risk existing business model**

Your Company has taken steps to ensure that the business model gets diversified to de-risk future growth. This led to the company spreading its wings in other regions like Rajasthan, Gujarat, Delhi, etc. As a result, now almost 40% of its order book is from states other than Maharashtra.

During the initial years, your company focused on the urban infrastructure segment; majority of the company's orders came from the state of

## J. KUMAR INFRAPROJECTS LIMITED

Maharashtra, specifically the Mumbai Metropolitan and Pune regions. The Maharashtra State Road Development Corp. (MSRDC), Mumbai Metropolitan Region Development Authority (MMRDA), Municipal Corporation of Greater Mumbai (MCGM), and others used to constitute a significant portion of Company's order book.

Going beyond its traditional strength in the roads and bridges segment, the company ventured into other verticals like piling, buildings, water Transportation and irrigation. Attempts have been made to broad base the client base by winning orders from the private sector as well to counter any slowdown in spending from the government.

- **Strong equipment bank aids timely execution**

Sophisticated equipment of the likes of excavators, loaders, hydraulic piling rigs, rollers, transit mixers, excavators, concrete batching plants, are required for project execution. Fortunately, the company owns them hence it has the capability to complete projects on time without resorting to leasing of equipment.

### **Risk Management:**

Your Company has a system-based approach to business risk management. Backed by strong internal control systems, the current risk management framework consists of the following elements:

The Corporate Governance Policy clearly lays down the roles and responsibilities of the various entities in relation to risk management. A range of responsibilities, from the strategic to the operational, is specified in the Governance Policy. These roles are aimed at ensuring formulation of appropriate risk management policies and procedures, their effective implementation and independent monitoring and reporting by Internal Audit.

The Corporate Risk Management Cell works with the businesses to establish and monitor the specific profiles including both strategic risks and operational risks. The process includes the prioritization of risks, selection of appropriate mitigation strategies and periodic reviews of the progress on the management of risks.

A combination of centrally issued policies and divisionally-evolved procedures brings robustness to the process of ensuring business risks are effectively addressed.

### **Way Forward:**

The inherent nature of the infrastructure business is crucially linked to the policy framework. Infrastructure companies are largely dependent on the government for timely execution, and long delays have a bearing on project viability given the high cost of debt. Higher interest rates too make it difficult to access debt.

Investment climate is expected to improve under the new regime, provided it speeds up the land acquisitions, evolving a streamlined process for environmental clearances and ensures fuel supply to power plants.

# Corporate Governance Report

Corporate Governance refers to a set of laws, regulations and good practices that enable an organization to efficiently and ethically generate long term wealth and create value for all its stakeholders. Your Company believes that good corporate governance is an important constituent in enhancing stakeholder value. Your Company has in place processes and systems whereby the Company complies with the requirements on Corporate Governance provided in Clause 49 of the Listing Agreement issued by the Stock Exchanges. Your Company is committed in its responsibility towards the community and environment in which it operates, towards its employees and business partners and towards society in general.

## Company's Philosophy on Corporate Governance

J. Kumar Corporate Governance principles have a strong pedigree of fairness, transparency, ethical processes and good practices. The Core values of the organization include Quality, Trust, Leadership and Excellence. This commitment lays the foundation for its governance practices, which are geared to support a business model that focuses on creating sustainable long term shareholder value, while fulfilling the interests of all other stakeholders of the Company.

At J. Kumar, corporate governance practices are not merely a discipline imposed by the regulator, but an inherent culture that guides the Board of Directors, the management and the employees to function towards the best interest of all stakeholders. These efforts give us the confidence of having put in place the right building blocks for future growth in a prudent and sustained manner. These practices define the way business is conducted and value is generated. Stakeholder's interests are taken into account, before making any business decision. In terms of distributing wealth to our shareholders, apart from having a track record of uninterrupted dividend payout since its IPO, we have also delivered consistent unmatched shareholder returns since listing. # INDEPENDENT AUDITORS' REPORT

To the Members of  
**J. Kumar Infraprojects Limited.**

## **Report on Financial Statements**

We have audited the accompanying financial statements of J. Kumar Infraprojects Limited. ("the Company"), which comprise the Balance Sheet as at March 31<sup>st</sup>, 2014, and the Statement of Profit and Loss and Cash Flow Statement for the year ended and a summary of significant accounting policies and other explanatory information.

## **Management's Responsibility for the Financial Statements**

The Company's Management is responsible for the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the company in accordance with the Accounting Statements notified under the Companies Act, 1956 (the Act). Read with the General Circular 15/2013 dated 13<sup>th</sup> September, 2013 and in accordance with the accounting principles generally accepted in India. This responsibility includes the design, implementation and maintenance of internal control relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

## **Auditor's Responsibility**

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with the Standard on Auditing generally accepted in India. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatements.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Company's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

## **Opinion**

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India:

- a) In the case of the Balance Sheet, of the state of affairs of the Company as at March 31, 2014;
- b) In the case of the statement of Profit and Loss, of the profit for the year ended on that date; and
- c) In the case of the Cash Flow Statement, of the cash flows for the year ended on that date.

## **Report on Other Legal and Regulatory Requirements.**

1. As required by the Companies (Auditor's Report) Order, 2003 ("the Order") issued by the Central Government of India in terms of sub-section (4A) of section 227 of the Act, we give in the Annexure a statement on the matters specified in paragraphs 4 and 5 of the Order.
2. As required by section 227(3) of the Act, we report that:
  - We have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
  - In our opinion, proper books of account as required by law have been kept by the Company so far as appears from our examination of those books;
  - The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account;
  - In our opinion, the Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement comply with the Accounting Standards

## J. KUMAR INFRAPROJECTS LIMITED

notified under the Act read with General Circular 15/2013 dated 13<sup>th</sup> September, 2013 of the Ministry of Corporate Affairs in respect of Section 133 of the Companies Act, 2013.

- On the basis of written representations received from the directors as at March 31, 2014, taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2014, from being appointed as a director in terms of clause (g) of sub-section (1) of section 274 of the Companies Act.

# ANNEXURE TO INDEPENDENT AUDITORS' REPORT

**The Annexure referred to in paragraph 1 under the heading “Report on Other Legal and Regulatory Requirements” of Our Report of even date**

On the basis of such checks as we considered appropriate and according to the information and explanation given to us during the course of our audit, we report that:

### 1. FIXED ASSETS

- The company has maintained proper records showing full particulars including quantitative details and situation of its fixed assets on the basis of available information.
- As explained to us, fixed assets have been physically verified by the management at reasonable Intervals; which in our opinion is reasonable, having regard to size of the company and nature of its assets, no material discrepancies were noticed on such verification.
- In our opinion and according to the information and explanations given to us, no substantial part of its fixed asset has been disposed off during the year and therefore does not affect the going concern assumption.

### 2. INVENTORIES

- As explained to us, inventories have been physically verified during the year by the management at reasonable intervals. The frequency of the verification is reasonable.
- In our opinion and according to the information and explanations given to us, the procedures of physical verification of inventories followed by the management are reasonable and adequate in relation to the size of the company and the nature of its business.
- In our opinion and on the basis of our examination of the records, the Company has maintained proper records of its inventories. No material discrepancy was noticed on physical verification of stocks by the management as compared to book records.

### 3. LOANS AND ADVANCES

- According to the information and explanations given to us and on the basis of our examination of the books of account, the Company has not granted any loans, secured or unsecured, to companies, firms or other parties listed in the register maintained under Section 301 of the Companies Act, 1956. Consequently, the provisions of clauses (iii) (b), (iii) (c) and (iii) (d) of paragraph 4 of the order are not applicable to the Company.

- (b) According to the information and explanations given to us and on the basis of our examination of the books of account, the Company has not taken loans from companies firms or other parties listed in the register maintained under Section 301 of the Companies Act, 1956. Thus sub clauses (iii) (f) & (iii) (g) of paragraph 4 are not applicable to the company.

#### **4. INTERNAL CONTROL**

In our opinion and according to the information and explanations given to us, there is an adequate internal control procedure commensurate with the size of the company and the nature of its business. During the course of our audit, no major instance of continuing failure to correct any weaknesses in the internal controls has been noticed.

#### **5. TRANSACTION WITH PARTIES UNDER SECTION 301 OF THE COMPANIES ACT, 1956**

- (a) Based on the audit procedures applied by us and according to the information and explanations provided by the management, the particulars of contracts or arrangements referred to in section 301 of the Act have been entered in the register required to be maintained under that section.
- (b) In our opinion and according to the information and explanation given to us, the transactions made in pursuance of contracts or arrangements entered in the register maintained under Sec. 301 of the Companies Act, 1956 have been made at prices which are reasonable having regard to prevailing market prices at the relevant time.

#### **6. DEPOSITS**

The Company has not accepted any deposits from the public covered under section 58A and 58AA of the Companies Act, 1956.

#### **7. INTERNAL AUDIT**

As per information and explanations given by the management, the Company has an internal audit system commensurate with its size and the nature of its business.

#### **8. COST RECORDS**

We have reviewed the cost records maintained by the Company pursuant to the Companies (Cost Accounting Records) Rules, 2011 prescribed by the Central Government under Section 209 (1) (d) of the Companies Act, 1956, and are of the opinion that prima facie the prescribed cost records have been maintained. We have, however not made a detailed examination of the records with a view to determine whether they are accurate or complete. However, cost audit has been prescribed for RMC division of the company and cost audit has been conducted by the cost auditor.

#### **9. STATUTORY DUES**

According to the records, information and explanation provided to us, the Company is generally regular in depositing with appropriate authorities undisputed statutory dues including Employee Provident Fund, Employee State Insurance Scheme, Income tax, sales-tax, Service Tax, Excise duty, Custom duty, Cess and other statutory dues applicable to it and no undisputed amounts payable are outstanding as at March 31, 2014 for a period of more than six months from the date when they became payable.

## Note 1: SIGNIFICANT ACCOUNTING POLICIES

### 1 Corporate Information :

J. Kumar Infraprojects Limited (the Company) is a public Limited Company domiciled in India and Incorporated under the provisions of the Companies Act, 1956. Its shares are listed on the two stock exchanges in India - BSE and NSE. The Company is engaged in execution of contracts of various infrastructure projects including Transportation Engineering, Irrigation Projects, Civil Construction and Piling Work etc.

### 2 Basis of preparation of financial statements :

The financial statements of J. Kumar Infraprojects Limited (the Company) have been prepared in accordance with generally accepted accounting principles in India (Indian GAAP). The financial statements have been prepared to comply in all material respects with the notified Accounting Standards issued by the Companies (Accounting Standards) Rules, 2006 (as amended) and the relevant provisions of the Companies Act, 1956. Further, the guidance notes/announcements issued by the Institute of Chartered Accountants of India (ICAI) are also considered, wherever applicable except to the extent where compliance with other statutory promulgations viz. SEBI guidelines override the same requiring a different treatment.

The financial statements have been prepared under the historical cost convention, on accrual basis, on the principles of going concern. The accounting policies have been consistently applied by the Company and are consistent with those used in the previous year.

### 3 Financial Statements - Presentation and Disclosures :

The Balance Sheet and the Statement of Profit and Loss are prepared and presented in the format prescribed in the Revised Schedule VI to the Companies Act, 1956 ("the Act"). The Cash Flow Statement has been prepared and presented as per the requirements of Accounting Standard (AS) 3 "Cash Flow Statements". The disclosure requirements with respect to items in the Balance Sheet and Statement of Profit and Loss, as prescribed in the Revised Schedule VI to the Act, are presented by way of notes forming part of accounts along with the other notes required to be disclosed under the notified Accounting Standards and the Listing Agreement.

Amounts in the financial statements are presented in Indian Rupees in lacs [1 lac = 0.10 million] rounded off to two decimal places in line with the requirements of Revised Schedule VI. Per share data are presented in Indian Rupees to two decimal places.

### 4 Use of Estimates :

The preparation and presentation of financial statements requires estimates and assumptions to be made that affect the reported amount of assets and liabilities and disclosures of contingent liabilities as on date of the financial statements and reported amount of revenue and expenses during the reporting period. Although these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets and liabilities in future periods. Difference between the actual results and estimates is recognised in the period in which the results are known / materialized.

### 5 Revenue Recognition:

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured.

Interest income is recognised on a time proportion basis taking into account the amount outstanding and the rate applicable. Dividend is recognized as and when the right to receive payment is established by the Balance Sheet date.

The Company follows the percentage completion method as mentioned in Revised Accounting Standard (AS) 7 "Construction Contracts" on the basis of physical measurement of work actually completed at the balance sheet date, taking into account the contractual price and revision thereto by estimating total revenue and total cost till completion of the contract and profit so determined has been accounted for proportionate to the percentage of actual work done.

Claims are accounted as income in the year of receipt of arbitration award or acceptance by client or evidence of acceptance received.

### 6 Fixed Assets:

#### (i) Tangible Assets

Cost comprises cost of acquisition or construction of assets (excluding revalued assets) less accumulated depreciation and impairment losses if any including borrowing costs attributable to bringing the assets to their intended use.

## Notes forming part of the Financial Statements

### (ii) Capital Work in Progress

Tangible assets under installation or under construction as at balance sheet date are shown as Capital work-in-progress.

### 7 Depreciation:

Depreciation is provided using the Written Down Value Method as per Schedule XIV of the Companies Act, 1956. Depreciation is provided prorata to the period of use on all addition except addition below Rs. 5,000/- which are depreciated at the rate of 100% in the year of purchase.

Depreciation on assets sold, discarded or demolished during the year is being provided at their respective rates on pro-rata up to the date on which such assets are sold, discarded or demolished

### 8 Impairment of Assets:

The Company assesses at each reporting date whether there is an indication that an asset may be impaired as per AS - 28 on "Impairment of Assets". If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating unit's (CGU) net selling price and its value in use. The recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets. Where the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining net selling price, recent market transactions are taken into account, if available. If no such transactions can be identified, an appropriate valuation model is used. Impairment losses are recognised in statement of profit or loss.

During the year no assets were impaired

### 9 Valuation of Inventories:

#### Inventories are valued as follows:

Raw materials, components, stores and spares: Raw materials, components, stores and spares are valued at lower of cost and net realisable value. Cost is determined on a FIFO basis.

Contract work-in-progress: Costs incurred that relate to future activities on the contract are recognised as contract work-in-progress. Contract work-in-progress comprises of construction cost and other directly attributable overhead valued at cost.

### 10 Investments:

Investments, which are readily realisable and intended to be held for not more than one year from the date on which such investments are made, are classified as current investments. All other investments are classified as long-term investments.

On initial recognition, all investments are measured at cost. The cost comprises purchase price and directly attributable acquisition charges such as brokerage, fees and duties etc. If an investment is acquired, or partly acquired, by the issue of shares or other securities, the acquisition cost is the fair value of the securities issued. If an investment is acquired in exchange for another asset, the acquisition is determined by reference to the fair value of the asset given up or by reference to the fair value of the investment acquired, whichever is more clearly evident. However, all the investments are acquired in exchange of monetary assets.

Long term investments are carried at cost. However, provision for diminution in value is made to recognise a decline other than temporary in nature in the value of the investments.

On disposal of an investment, the difference between its carrying amount and net disposal proceeds is charged or credited to the statement of profit and loss. None of the investments were disposed off during the year.

### 11 Accounting for Taxes on Income :

Tax expense comprises both current and deferred tax . Current tax is measured at the amount expected to be paid to / recovered from the tax authorities, using the applicable effective tax rates. Deferred tax assets and liabilities are recognised for future tax consequences attributable to timing differences between taxable income and accounting income that are capable of reversal in one or more subsequent periods and are measured using relevant enacted or substantively enacted effective tax rate as on the balance sheet date , to the extent the timing differences are expected to crystallise. Deferred tax assets are reviewed for the appropriateness of their respective carrying values at each balance sheet date.

## Notes forming part of the Financial Statements

The company reassesses recognised deferred tax assets and liabilities and recognises unrecognised deferred tax assets to the extent they become reasonably certain or virtually certain of realisation, as the case may be.

### 12 Foreign Currency Translations :

- i) Initial recognition : Foreign currency transaction are recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of transaction.
- ii) Conversion : Foreign currency monetary items are reported using the closing rate. Non-monetary items which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction; and non-monetary items which are carried at fair value or other similar valuation denominated in a foreign currency are reported using the exchange rates that existed when the values were determined. Non-monetary assets are carried at fair value.
- iii) Exchange differences : Exchange differences arising on the settlement of monetary items or on reporting company's monetary items at rates different from those at which they were initially recorded during the year, or reported in previous financial statements, are recognised as income or as expenses in the year in which they arise.

Exchange difference arising on long term foreign currency monetary items related to acquisition of fixed assets are added / deducted from the cost of asset.

### 13 Borrowing Cost :

Borrowing cost includes interest, amortization of ancillary costs incurred in connection with the arrangement of borrowings and exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost.

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use are capitalized as part of the cost of the respective asset. All other borrowing costs are expensed in the period they occur.

### 14 Earnings Per Share :

Basic earnings per share are calculated by dividing the net profit or loss for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year. The weighted average number of equity shares outstanding during the year is adjusted for events of bonus issue; bonus element in a rights issue, share split; and reverse share split (consolidation of shares).

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

### 15 Provision :

Provisions are recognised when the Company has a present obligation, as a result of past events, for which it is probable that an outflow of economic benefits will be required to settle the obligation and a reliable estimate can be made for the amount of the obligation. Provisions are not discounted to their present values and are determined based on best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

### 16 Contingent Liabilities and Contingent Assets :

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The company does not recognize a contingent liability but discloses its existence in the financial statements.

Contingent assets are neither recognized nor disclosed in the financial statements.

### 17 Segmental Reporting :

As the Management information system of the Company recognises and monitors "Construction" as the only business segment, the accounting standards "Segmental Reporting" does not apply.

## Notes forming part of the Financial Statements

### 18 Operating Lease :

Leases where the lessor effectively retains substantially all the risks and benefits of ownership of the leased term, are classified as operating leases. Operating lease payments are recognized as an expense in the statement of profit and loss on a straight-line basis over the lease term.

### 19 Retirement and other employee benefits :

- i) Retirement benefit in the form of Provident Fund is a defined contribution scheme. The contributions are charged to the statement of profit and loss of the year when the contributions are due. The company has no obligation other than the contribution payable to the provident fund.
- ii) Gratuity liability is defined benefit obligation and is provided for on the basis of an actuarial valuation on projected unit credit method made at the end of each financial year.
- iii) Actuarial gains/losses are immediately taken to the statement of profit and loss and are not deferred.
- iv) Leave encashment is paid to employees on annual basis and recognized as expenses when it is incurred

### 20 Accounting for interests in Joint Ventures :

Interests in joint ventures are accounted as follows:

Type of joint venture	Type of joint venture
Jointly controlled entities	(a) Unincorporated joint ventures: (i) Company's share in profits or losses of unincorporated joint ventures is accounted on determination of the profits or losses by the joint ventures.

In respect of contracts executed in integrated joint venture under profit sharing arrangements, net investment in the joint venture is reflected as Current Assets.

### 21 Cash and cash equivalents :

Cash and cash equivalents for purpose of the cash flow statements comprise cash at bank and in hand and short term investments with an original maturity of three months or less.

### 22 Forward Exchange Contract

The company has used forward cover contracts to hedge its exposure to the movements in foreign currency exchange rates. Such forward covers are used to reduce the risk which may result from foreign rates fluctuations, and is not used by the company for trading or speculation purposes.

Buyers' Credit is not hedged by the Company as its exposure to the movements in foreign currency exchange rates is adjusted against inflows.

### 23 Cash Flow Statement :

"Cash Flow Statement is prepared segregating the cash flows from operating, investing and financing activities. Cash flow from operating activities is reported using indirect method. Under the indirect method, the net profit is adjusted for the effects of:"

- i) Transactions of a non-cash nature
- ii) Any deferrals or accruals of past or future operating cash receipts or payments and
- iii) Items of income or expense associated with investing or financing cash flows

Cash and cash equivalents (including bank balances) are reflected as such in the Cash Flow Statement. Those cash and cash equivalents which are not available for general use as on the date of Balance Sheet are also included under this category with a specific disclosure.
