

### **J. Kumar Infraprojects Ltd.**

J. Kumar Infraprojects Limited was incorporated two decades ago under the visionary leadership of Mr. Jagdishkumar M. Gupta, to undertake EPC works as a builder, contractor. The vision of creating an organization par excellence is ably supported by Mr. Kamal J. Gupta and Mr. Nalin J. Gupta as Managing Directors of the Company. Our core competence and expertise is in the field of Transportation Engineering, Civil Construction and infrastructure development.

The Company went public in the year 2008 and stocks are listed at BSE and NSE. In last 20 years the Company has positioned itself for delivering complex Infraprojects with a proven track record of timely completion.

We have a track record of efficaciously completing 85+ projects, and are focusing our resources in completing of ongoing projects under execution comprising of ₹ 11,936 Crores as on 31st March, 2022 in our order book. We are rated “IND A+/Stable” for Fund based limit, “IND A1+” for non-fund based limit by India Ratings and are recognized as Class IA contractor with the Various Public Works Department.

We are an ISO 9001:2008, ISO 14001:2004 and OHSAS 18001:2007 certified company. JKIL posted a turnover of ₹ 3,527 Crore for FY2022 and the Net worth of the company is ₹ 2,087 Crores as on 31.03.2022.

Robust order book of ₹ 11,936 Crores as on 31st March, 2022 with orders across the states (Maharashtra, Delhi, Rajasthan, Uttar Pradesh and Gujarat).

The company got new orders of ₹ 3,685 Crores in FY2022 including the Mumbai Metro Line 2B, Pune Riverfront Project, Aerocity to Tughlakabad Corridor of Phase IV of Delhi MRTS from DMRC, Road Project from CIDCO etc.

Company's employee strength is approx. 7,000 employees, out of which engineer's accounts for nearly 20%.

We believe that ownership of machineries and equipment is our key to timely completion of projects and consequently higher operating margins. Our Company owns a large fleet of construction equipment and machinery including 7 Tunnel Boring Machines and 44 hydraulic piling rigs. Ownership of equipment, coupled with pan India Presence enables efficient movement of equipment amongst our various construction sites Reduces our dependence on leased equipment available at higher cost.
