Chairman Speech

I am very pleased to extend a warm welcome to each one of you to 13th Annual General Meeting of your Company.

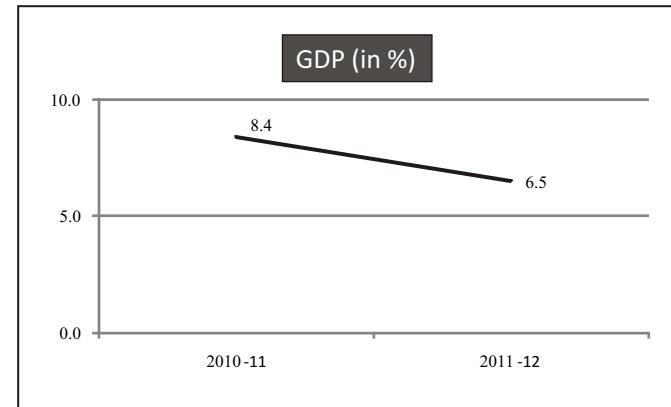

June this year witnessed series of measures that outlined the Government's agenda for pushing the infrastructure sector projects with specific targets for 2012-13 to take the GDP growth rate to 9 per cent at a high-level inter-ministerial meeting chaired by the Prime Minister himself.

The announcements include: 2 new major ports in Andhra Pradesh and West Bengal, 3-4 international airports, airline hub policy, elevated freight corridor in Mumbai, and bullet train from Mumbai to Ahmedabad, apart from that NHAI and DMRC had announced Rs 70,000 Cr of various works.

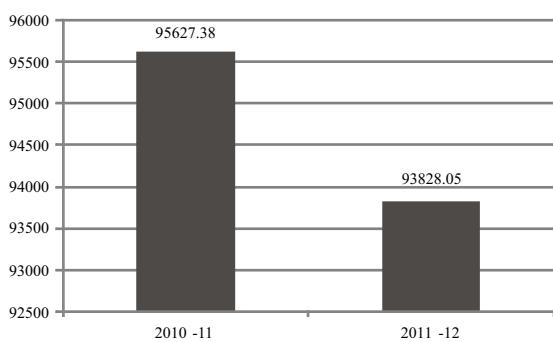

While things look rosy for the coming years if the Government's agenda gets implemented in full, the fact remains that the country's overall GDP has fallen 8.4% in FY'11 to 6.5% in FY'12.

The Eleventh Five Year Plan (2007-2012), for instance, anticipated at creating 78,700 MW of new power generating capacity however could achieve only 70% of it by FY'12. Similarly the projects of the National Highway Authority of India (NHAI) are running behind schedule.

As the macro economic outlook was dismal between FY11 and FY12, this had its bearing on your Company too. The revenues slipped from Rs. 95627.38 Lacs to Rs. 93828.05 Lacs, a fall of 1.88%.

Revenue (Rs in Lacs)

Before concluding my speech, I would like to inform you that this is only a temporary blip as our order book is healthy at Rs. 2,51,253 lacs at the close of FY12. Our Company is also diversifying at other locations in order to tap upcoming opportunities in other states. Towards this end it has already bagged a few large sized projects in Delhi, Rajasthan and Gujarat and is also bidding in other states also.

I must express my profound gratitude to all of you for the steadfast confidence you have reposed in our Company and the Team J Kumar through all the times.

EXPLANATORY STATEMENT:

Pursuant to Section 173(2) of the Companies Act, 1956:-

Item No: 6&7

Sections 293(1) (d) of the Companies Act, 1956, stipulates that Board of Directors of the Company cannot, except with the consent of the members in the General Meeting, borrow monies, apart from temporary loans obtained from the Company's bankers in the ordinary course of business, in excess of the aggregate of the paid up capital and free reserves of the company, i.e to say, reserves not set apart for any specific purpose. The shareholders at the 10th Annual General Meeting of the company held on 9th September 2009 , has accorded their consent to the Board of Directors for borrowing up to Rs 1000 Crores (Rupees One Thousand Crores Only)

Taking into consideration the requirements of the additional funds to meet the cost of Company's capital expenditure and also additional working capital requirements of the company, it is expected that the limit of Rs1000 Crores sanctioned by the shareholders is likely to be exceeded.

The consent of the shareholders is therefore sought in accordance with the provisions of Section 293 (1) (d) of the Act to enable the directors to borrow the moneys to the extent of Rs. 2,500 Crores (Rupees Two Thousand Five Hundred Crores Only). The resolution under item no. 7 is to obtain the consent of the shareholders for this purpose.

The proposed borrowings of the company may, if necessary, be secured by way of Charge/Mortgage/Hypothecation of the Company's assets in favour of the lenders. As the documents to be executed between the proposed lenders and the company may contain the power to take over the management of the company in certain events, it is necessary to pass a resolution under section 293 (1) (a) of the Act, for creation of Charge/Mortgage/hypothecation for an amount not exceeding the borrowing limit of Rs. 2,500 Crores (Rupees Two Thousand Five Hundred Crores Only).

The Proposed offers are in the interest of the company and your directors commend the resolution at item no 6 & 7 of the accompanying Notice for acceptance of the members.

None of the Directors of the Company are concerned or interested in the resolutions set out at the aforesaid items of the Notice.

Your Directors recommend passing of the resolution set out in the Notice.

Management Discussion & Analysis Report

Economic overview

The smart recovery in 2010 could not be sustained and growth in global economic output slowed down considerably in 2011. IMF Report April 2012, for instance, says that against a growth rate of 5.3% recorded in 2010 and a forecast of 4.4%, global output actually grew by only 3.9% in 2011. Sovereign debt crisis in the euro zone, contraction of the Japanese economy, and slow recovery in the US, led to the slow down in advanced economies.

The growth rate in emerging economies like China, India, and Brazil, also fell from 7.5% in 2010 to 6.2% in 2011. Owing financial shakeouts in developed economies, capital inflows into emerging economies declined leading to exchange rate fluctuations as well.

Back home, the Indian economy decelerated considerably during the year. The overall GDP fell from 8.4% in FY'11 to 6.5% in FY'12. RBI had also adopted a tight monetary policy in order to balance the growth-inflation dynamics after considering factors like lower global demand and hardening international prices of crude oil etc. The Industrial sector's growth rate was below 4% - a 10 year low - reflected factors like higher interest rate regime and decline in business confidence. The Gross Fixed Capital Formation too dropped below 30% of GDP. While the fiscal deficit touched 5.9% of GDP, the current account deficit hovered around 4% of GDP. The overall Balance of Payment situation too turned negative. Factors like these led to depreciation of the Indian Rupee which fell to record lows.
