Funding and Allocation:

In line with our CSR Vision, through implementation of our CSR Program, the Board of the Company shall ensure that the Company utilize allocated funds in each financial year, at least two per cent of the average net profits of the Company made during the three immediately preceding financial years.

Other Points:

The CSR Committee may take into consideration such other proposals as may be proposed or received by the Company during the year and if deemed fit and appropriate, the Committee may recommend the Board to allocate funds to such projects (direct and/or through implementing agencies) or the Committee/Board may modify or relocate the funds to other CSR projects/initiatives. The Board may alter this plan at any time during the financial year, as may be recommended by the CSR Committee, based on the reasonable justification for such alteration(s).
