Further, the same have been subject to limited review by joint statutory auditors of the company.
2. The Company adopted Indian Accounting Standard ("Ind AS") from April 1, 2016 and accordingly these financial results have been prepared in accordance with the recognition and measurement principles laid down in the Ind AS 34 : Interim Financial Reporting prescribed under Section 133 of the Companies Act, 2013 read with the relevant rules issued thereunder and the other generally accepted accounting principle in India.
3. Statement of reconciliation of Net PAT under Ind AS and Net PAT reported under previous Indian GAAP (IGAAP) for the quarter and nine months ended 31st, December 2015 are as under.

3	Reclassification of net actuarial gain/(loss) on employee defined benefits obligations to OCI	(64.59)	(129.15)

4. The "management approach" as defined in "Ind AS 108 - Operating Segments", requires disclosure of segment-wise information based on the manner in which the Chief Operating Decision Maker (CODM) evaluates the performance and allocates resources in cases where a reporting entity operated in more than one business segment. Since, the company is primarily engaged only in the business of "Construction and Engineering Activities" which the Management and CODM recognise as the sole business segment, hence the segment-wise information is not required and accordingly not presented.
5. There is a possibility that these quarterly financial results may require adjustment before constituting the final Ind AS financial statements as of and for the year ending March 31, 2017 due to change in financial reporting requirements arising from new or revised standards or interpretation issued by MCA/ICAI or changes in the use of one or more optional exemptions from full retrospective application of certain Ind AS as permitted under Ind AS 101.
6. During the previous year company's equity shares of Rs. 10/- each fully paid up were split into equity Shares of Rs. 5/- each fully paid up, resulting in increase in number of equity shares from 3,78,32,753 of Rs. 10/- each to equity shares of 7,56,65,506 of Rs. 5/- each. Accordingly to maintain uniformity and better comparability the E.P.S. of previous periods are restated.
7. The figures for the previous period have been regrouped and /or rearranged wherever considered necessary.
